

**Saint Petersburg State University**

***Tomin Denis Valerievich***

**Bachelor Diploma Thesis**

***Stock Price Forecasting Using Dynamic Aspect-Based Sentiment Analysis and  
Neural Networks***

Level of education: Bachelor's degree

Direction 01.03.02 "Applied Mathematics and Informatics"

Basic educational program CB.5005.2015 «Management»

«Information management»

Supervisor:

Professor, Research Center for Market Efficiency and Applied  
Finance,

Dr. Darko Vuković

Peer reviewer:

Professor, Research Center for Market Efficiency and Applied  
Finance,

Dr. Darko Vuković

Saint Petersburg

2025 y.

## Contents

<b>Introduction</b>	3
<b>CHAPTER 1. THEORETICAL OVERVIEW</b>	4
1.1. Problem statement	4
1.2. Methodology	4
1.2.1 Literature review	4
1.2.2 Tool review	4
<b>CHAPTER 2. PRACTICAL SOLUTION</b>	5
2.1. Data engineering	5
2.1.1 Data capture	5
2.1.2 Data processing	5
2.2. Architecture	5
2.2.1 Aspect-based block	5
2.2.2 Sentimental block	5
2.2.3 Predictive block	5
2.3. Recommendations	5
<b>Conclusion</b>	6
<b>References</b>	6

## Introduction

«...»

## **CHAPTER 1. THEORETICAL OVERVIEW**

### **1.1 Problem statement**

«...»

### **1.2 Methodology**

«...»

#### **1.2.1 Literature review**

«...»

#### **1.2.2 Tool review**

«...»

## **CHAPTER 2. PRACTICAL SOLUTION**

### **2.1 Data engineering**

«...»

#### **2.1.1 Data capture**

«...»

#### **2.1.2 Data processing**

«...»

### **2.2 Architcture**

«...»

#### **2.2.1 Aspect-based block**

«...»

#### **2.2.2 Sentimental block**

«...»

#### **2.2.3 Predictive block**

«...»

### **2.3 Recommendations**

«...»

## **Conclusion**

«...»
